Dear Amphib friends,

The AVA France association is proud to invite you at the AMPHIB 2010 event which will be held in Brittany this summer from Saturday the 24<sup>th</sup> of July to Saturday the 31<sup>st</sup> of July. The base camp will be located near the city of REDON in the camping of PEILLAC. All the staff members will be happy to welcome you again for the second time in our Brittany region.

The campsite is very close to a ramp thus giving direct access to the waters of the canal which runs between the cities of NANTES and BREST. The camp site offers full comfort accommodations including toilet, showers, areas of wash, individual electric power supply, outside warmed swimming pool, children garden, games, mini golf ... There are also many hotels and guest houses in PEILLAC.

In the village of PEILLAC, you also have many small shopkeepers among whom some have mini-markets which will indulge to be of use to you, as well as three garages which will be of big help in case of unexpected breakdown, or any mechanical and hull problems. You have so diverse specialised craftsmen, capable of making numerous parts.

Trailers and big trucks will be parked free of charge on a parking lot next to the camp site. A fuel station is located 1,5 km from the base camp. Pets are welcome, under the responsibility of their owners.

We shall make all our trips in the region of REDON on several rivers and canals (La Vilaine, l'Oust, l'Aff and the canal from Nantes to Brest). You will appreciate all types of landscapes during these trips. There will be also visits and diverse nice welcome parties, with surprises during this amphibious car meeting.

There will be two daily water cruises, one in the morning, and the second in the afternoon, separated with pleasant stops at local nice restaurants or local snacks as you prefer.

To organise at best those friendly moments, we ask you to fill a daily reservation information field on the registration form, in order to plan the number of people at lunch. There is nothing compulsory, you have of course the choice to take your own daily picnic bag.

The registration fee for the captain and his vehicle is 200€ and 150€ for each passenger.

It is free for children under 12 years old.

Pay attention to register as soon as possible considering the number of participants will be limited.

Should any decision had to be taken, we would give priority to former participants.

Do not forget to sign the security rules and personal liability form.

In addition to the different welcoming drinks we will have during this week, there will be a cocktail at the end of the days on Saturday the 24<sup>th</sup> as well as a diner on Tuesday 27<sup>th</sup> and of course the final diner on Friday night the 30<sup>th</sup>.

Dear Amphib friends, looking forward for your participation. Best regards.

The AVA France Président
